**RE: Contract #EP-W-12-032, Task Order (TO) 6609; Sampling and Analysis
Support at Gregg County Refining, Revised-Final Trip Report**

Dear Ms. Hubner,

Toeroek, Associates, Inc. (Toeroek) is pleased to present the revised-final Trip Report (Rev. 1) for the Sampling and Analysis Support at Gregg County Refining, under Contract No. EP-W-12-032, Task Order (TO) 6609. This revised-final Trip Report chronicles the field sampling event at Gregg County Refining, Longview, Texas, on April 7 through April 18, 2014. This revised-final version incorporates EPA comments provided to the final version of this document submitted on August 17, 2014.

Please contact me at 303•407•0263 or Mr. Paul Kieler at 303•407•0266 with any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Craig Kish". The signature is stylized with a large, sweeping loop at the end.

Craig Kish
REPA 5 Zone 2 Program Manager
